

THE KANSAS HERALD.

FRIDAY NOVEMBER 17, 1854.

We are authorized to announce J. B. CHAPMAN, as a candidate for delegate in Congress from Kansas Territory.

We are authorized to announce Hon. ROBERT P. FLENNIKEN, of the sixteenth election district, (embracing Leavenworth and Salt Creek) as a candidate for Delegate to Congress from Kansas Territory, at the approaching election on the 29th inst.

Rev. Mr. Sparr, Presbyterian clergyman, of Weston, Mo., delivered quite an interesting discourse on Sunday, at the Leavenworth House, in this place to a very attentive audience.

WEATHER AND RIVER.—The weather has again become very mild and pleasant, and the river is still navigated by boats of the largest class.

EMIGRANTS.—The Australian, on her recent trip up, brought one hundred and twenty-five emigrants from Massachusetts and the New England States. Many of them had families, who got off at Kansas city, and Parkville, and other points below. They are destined for the Wakarusa valley on the Kansas river.

Chief Justice of Kansas. SAMUEL D. LECOMPT, of Baltimore, Md., has been appointed chief Justice of Kansas Ter., in place of Madison Brown, of Md. resigned. Judge Lecompt, is spoken of at home as eminently fitted for the position assigned him, and as a distinguished member of the Bar, of ability, talents and experience in his profession.

Massacre on Platte River. Mr. Udolphus Wolfe, who recently returned from a trip on the Plains, gives us the following reliable information:—

His party consisted of eight men, who were on their way to Fort Laramie, and while encamped on the bank of the South Platte river, on the 25th of October last, the Indians fired upon them, killing one of their men, they immediately retreated to their waggon, and as the Indians approached, about fifteen in number, the whites fired upon them, killing three or four, the remainder of them rallied with a yell, and as they rushed on, three or four more killed, and the party of whites then rushed out upon the Indians, and a desperate conflict for a few moments ensued, in a hand to hand fight, during which time Mr. Wolfe got wounded in the ankle; the Indians fled, across the river.

Four of the whites and eight of the Indians were killed.

At a meeting of the citizens of Kansas Territory and others at Leavenworth on the 15th of Nov. 1854. On motion of Maj. Jesse Morin, Capt. L. J. Eastin was called to the Chair, and R. R. Rees, selected as Secretary.

Maj. J. Morin explained the object of the meeting to be in obedience to a call to elect a candidate for a Delegate to Congress from this Territory, and on his motion it was

Resolved, That this meeting will not make a nomination.

On motion of R. R. Rees it was Resolved that the Kansas Herald and Kansas Pioneer be requested to publish the proceedings of this meeting.

On motion of Dr. Wilson the meeting adjourned.

L. J. EASTIN, Pres't.

R. R. REES, Sec'y

REPORTED ARREST.—The Independence Dispatch has given currency to a report, that Maj. Ogden, and others of the military officers at Fort Leavenworth, are now under arrest, and then gives a conflicting report, after which the editor states he is unable to decide which is correct. We can tell the editor no such arrest has been made or even attempted to be made. It is not the first time that false reports started by Madame Rumor, with her ten thousand living tongues have found their way into some of the public prints in relation to the gentlemen alluded to.

James N. Burns.

James N. Burns announced by his friends during his absence at St. Louis, as a Democratic Candidate for Delegate from Kansas Territory, in the Congress of the United States, finding that he cannot make a canvass on the Platform contemplated by those friends, respectively and gratefully withdrew his name as a candidate, differentially yielding his own views to those of the Squatters of Kansas.

Leavenworth, K. T., Nov. 14, 1854.

TO THE QUALIFIED VOTERS OF KANSAS TERRITORY.

In view of the election to be held in the Territory on the 29th instant, for Delegate to the House of Representatives of the United States, the undersigned, a Committee of the numerous friends of the Hon. ROBERT P. FLENNIKEN offer him as a Candidate for the said office, and announce some of the reasons why, in their opinion, he should be supported.

Mr. Flenneken has been, heretofore, a citizen of Fayette County, in the State of Pennsylvania, where he has been for many years a consistent, sound, and National Democrat—a citizen of the highest moral and social standing, and a lawyer of distinguished reputation and successful practice. He was formerly a member of the Legislature of Pennsylvania, and, under the appointment of the late President Polk, a

Representative of the United States at the Court of Denmark, where he attained much reputation by the ability and fidelity with which he discharged his duties. He has settled in the Territory with the intention of making it his future permanent residence, and his family are preparing to follow him.

His general intelligence—his sound and reliable prudence and good sense—his clear and comprehensive intellect—his legal knowledge—his general and favorable acquaintance with the members of Congress and the public men attached to the National Administration, give us the surest guaranty that he will make a most useful, efficient, and valuable Delegate, in whose hands the important interests of the Territory will be well taken care of, and to whom we can confidently look for procuring the appropriations for Military Roads and Bridges, Public Buildings, Geological Survey, the modification of Indian Treaties, and for adjusting the many Post Routes and Post Offices throughout the Territory.

Some persons in the Territory, we regret to say, are making an effort to introduce into this election the question of free and slave labor, and to array the advocates of each against each other, and in favor of different candidates. We cannot see the necessity or propriety of agitating this question at this time. A Delegate in Congress will have no duties to perform connected with it in any way, and should be elected only with an eye to his value, efficiency, and influence in procuring the legislation which we so much need to advance the prosperity and improvement of the Territory. The man who can best do this should be elected without reference to his views on other questions. Mr. F. does not run as a candidate upon this issue, and we do not place him before the people on that ground.

The weakness of the Territory requires that all citizens upon both sides of that question should stand side by side, and work in harmony, concert and good feeling, to advance the progress of our Territory, with the greatest possible rapidity. It will be time enough to make issue upon the question of slavery, when it shall come up for decision; and it would inflict a deep injury upon our interests to elect a Delegate to Congress upon this issue, no matter which party should succeed, as it would immediately array against him the members of Congress who should differ in opinion from the successful party—whereas if our Delegate is elected without raising the question, we shall not excite in Congress the opposition of the other party, and it will be comparatively easy to obtain what the wants of the Territory require.

We may add that the best evidence of our sincerity is, that we ourselves are divided in opinion upon the question—some of us being anti-slavery men and some pro-slavery men, whilst we are, nevertheless, united in the support of Mr. F. We believe him to be the man whom the Territory needs for the office—the man who can best advance its interests at Washington—and, from all the information we can receive, the man who will be strongest before the people at the polls, and whom the majority of them desire, and we therefore recommend him for your support.

Instructions to Judges of Elections.
The three Judges will provide for each poll a Ballot Box, with a slit for the insertion of the ticket. Before entering upon their duties they will make and subscribe duplicate copies of the following oath.

We, _____ and _____ do severally swear that we will perform our duties as Judges of the election, to be held this day in the _____ District, of the Territory of Kansas, to the best of our judgment and ability, that we will keep true, correct and faithful record or list of persons who shall vote at said election, that we will poll no ticket from any person who is not an actual bona fide resident and inhabitant of said Territory on the day of election, and whom we shall not honestly refuse to be a qualified voter according to the provisions of the Act of Congress organizing said Territory—that we will reject the votes of all and every non-resident who we shall believe has come into the Territory for the mere purpose of voting—that in all cases where we are ignorant of the voter's right, we will require legal evidence thereof by his own oath or otherwise—and that we will make a true and faithful return to the Governor of said Territory of the votes which shall be polled.

The poll will be opened for the reception of votes between eight and ten o'clock, A. M., and will be kept open continuously until six P. M., and then closed unless voters are then at the polls offering to vote, and in that case, as soon as voters cease to be present, the Judges will close the polls, and the corresponding list of persons who shall vote, numbering each name.

When a dispute arises as to the qualifications of a voter, the Judges may examine the voter or any other person under oath upon the subject, and the decision of a majority of the Board will be conclusive. When the poll is closed the Judges will proceed to open and count the votes and will keep two corresponding tally lists, on which they will simultaneously tally the votes as they are given by the Judge and shall upon call out the tickets, and without preference or hindrance by any other person. When the votes are thus counted off, and the tally lists shall agree, the Judges shall then pub-

licly proclaim the result and shall draw up and sign duplicate certificates, in the following form:—
We the undersigned Judges of an election held on the 29th day of November, A. D. 1854 at the house of _____ in the _____ District of the Territory of Kansas, for the election of a Delegate to the House of Representatives of the United States do certify upon our oaths, to the best of our knowledge and belief, that the following is a true and correct return of the votes polled by lawful resident voters, viz:—

received _____ votes
received _____ votes
&c. &c.

Witness our hands, this 29th day of Nov. 1854.
They will then carefully replace the said counted tickets in the box, with one copy of the oath—one list of voters—one tally list and one certificate of return and having sealed up the said box will carefully preserve the same, until called for by the Governor, in case the election shall be contested. The remaining copies of oath—list of voters—tally list and return will be taken by one of the Judges, who will deliver the same in person to the Governor, on or before Monday, the 4th day of December next, at his office at the house of Thos. Johnson in the first District.

The Judges of election will be sworn by a Judge or Justice of the Peace, in the absence of such officer, they may be sworn by one of their number, who shall in his turn be sworn by one of those thus qualified, noting at the foot of the oath by whom it is administered. And the several Judges of election, are by these presents invested with full power and authority to administer the oath, to each other, and to voters, and others, touching the right of any person to vote, under all the pains and penalties of perjury attaching to oaths administered by Judicial officers.

If one or more of the Judges appointed should fail to attend or refuse to serve their places may be supplied by the voters on the ground at nine o'clock A. M., and vacancies occurring in the board thereafter, may be filled by the remaining Judges.

Qualification of Voters.

By the Territorial Bill it is provided as follows:—

"That every free white male inhabitant above the age of Twenty-one years, who shall be an actual resident of said Territory, and shall possess the qualifications hereinafter prescribed, shall be entitled to vote at the first election; Provided, That the right of suffrage and of holding office, shall be exercised only by citizens of the United States and those who shall have declared on oath their intention to become such, and shall have taken an oath to support the Constitution of the United States and the provisions of this act, and Provided, further, That no Officer, Soldier, Seaman or Marine, or other person in the Army or Navy of the United States, or attached to troops in the service of the United States, shall be allowed to vote or hold office in said Territory, by reason of being on service thereof."

The requisites of age and color are easily understood. That of residence is well defined in the law, and means the actual dwelling or inhabiting in the Territory, to the exclusion of any other present domicile or home coupled with the present bona fide intention of permanently remaining for the same purpose.

When a voter is not a native of the U. S. the proof of his right to vote must be the production of his certificate of naturalization; or of his declaration of intention under the seal of the court, and the want of it cannot be supplied by his oath.

In case he has only declared his intention to become a citizen he must then be sworn, by the Judges or a Justice of the Peace, to support the constitution of the U. States and the provisions of the Act of Congress approved May 30, 1854, to organize the Territories of Nebraska and Kansas."

"When this latter oath is administered to a voter, the word 'oath' should be marked opposite his name on the list."

The meaning of the last proviso, relative to the army and navy is, that the persons designated in it, shall not vote if their presence in the Territory is referable only to the performance of their duties, and the obedience of orders. The Officer or Soldier who would vote, must have a residence here (the meaning of which is already explained) irrespective and independent of his presence here under orders.

It is perhaps unnecessary to say that every voter can vote only in his own district.

Contested Election.

In case any person or persons shall dispute the fairness or correctness of the Return of any election district, they shall make a written complaint directed to the Governor and setting forth the specific causes of complaint, or errors in the conducting or returning of the election in said District, signed by not less than ten qualified voters of the Territory and with affidavit of one or more qualified voters to the truth of the facts therein stated; and the said complaint and affidavit shall be presented to the Governor on or before the Fourth day of December next, when the proper proceedings will be taken to hear and decide such complaint.
